

AKHILESH JAIN

7899109103 | akhileshapjain2005@gmail.com | www.linkedin.com/in/akhilesh-jain-97b3a72a6/

EDUCATION

Visvesvaraya Technological University (VTU)

Bachelor of Engineering in Computer Science & Engineering

Bahubali College of Engineering (BCE), Shravanabelagola

Relevant Coursework: Machine Learning, Computer Vision, Data Structures, Database Management Systems

Aug 2023-jul 2027

Hassan, Karnataka

PROJECTS

AI Skincare Routine Recommendation System

Python | Artificial Intelligence

- Designed an AI-powered skincare recommendation system.
- Generated personalized skincare suggestions based on user inputs and AI-based decision logic.

Aug-2025

Ball Tracking System

Python | OpenCV | Computer Vision

- Developed a computer vision application to detect and track a moving ball in video streams.
- Applied image processing techniques for accurate object detection and real-time tracking.

Dec-2025

Traffic Prediction and Route Optimization

Python | Dijkstra's Algorithm | AI

- Developed a traffic prediction and route optimization system using Dijkstra's Algorithm.

Optimized route selection by analyzing traffic conditions and identifying the shortest travel path.

Mar-2026

RAG-Powered Document Question Answering System

Python | AI | LangChain | RAG

- Developed an AI-powered document question answering system using Retrieval-Augmented Generation (RAG).
- Implemented intelligent document retrieval and context-aware response generation for accurate answers from uploaded PDF documents.

Jun-2026

TECHNICAL SKILLS

Programming Languages: Python, Java, C, SQL

Web Development: HTML

Operating System: Unix

Tools & Technologies: Git, GitHub, VS Code

Soft Skills: Problem Solving, Team Collaboration, Leadership, Communication, Time Management

CERTIFICATIONS AND ACHIEVEMENTS

- Frontend Development Internship** – Codeveda Technologies
- Team Lead – National-Level Hackathon (Hackmittien 2.0)**, Maharaja Institute of Technology, Thandavapura
- Certificate of Appreciation** – NeuroNex Hackathon, Rajeev Institute of Technology
- Participated in **Pravrutti National-Level Tech Fest** conducted by Ramaiah University of Applied Sciences
- Represented Bahubali College of Engineering as VTU Badminton Team Captain

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

- Developed responsive web pages using HTML during a virtual frontend development internship.
- Sports Secretary, Bahubali College of Engineering.
- Actively participated in technical events, hackathons, and college sports activities.
